

**BRAND**

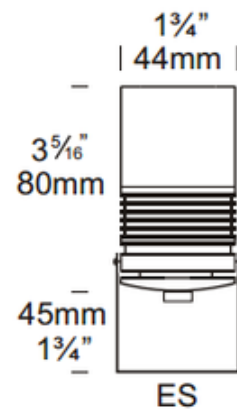

Hunza Lighting

**DESCRIPTION**

The Euro Spot Halogen Light is an extra compact luminaire designed for situations where the fixture needs to be very unobtrusive or concealed and can be mounted in a variety of outdoor situations. Mounts to surface with U bend screwed to mounting surface. Features 360 degree rotation and 0 to 90 degree elevation. Machined from solid Copper or 316 Stainless Steel with a clear tempered shatter resistant glass lens and hex cell louver for glare control, high temperature silicon gaskets and 1/8 inch submersible cable. One 10 watt, 12 volt GU4 MR11 halogen bulb is required, but not included. UL listed. IP66 rated for wet locations. 1.75 inch diameter x 5 inch height. Required transformer and optional accessories sold separately.
