12V Wall Spot Halogen Wall Light

By Hunza Lighting

Description

The Wall Spot Halogen Wall Light has been designed to be mounted on walls and provide directional light for pathways and structural elements of a building. Features a fully adjustable head allowing 360 degree rotation and 0-90 degree elevation. Available in 316 Stainless Steel or powder coat Bronze finish with a clear tempered flush glass lens. WBAP wall box adapter plate required to cover standard USA junction box. IP66 rated for wet locations. Required transformer and optional accessories sold separately. Dimmer type dependent on type of transformer/power supply selected (low voltage electronic or low voltage magnetic).
