Iris

DESCRIPTION

Seven inch widespread quartz lensed wall wash with clear reflector and matte white painted die-cast flange. Flange also available in raw or self flange options. Reflector also available in white, yellow warm haze, gold, black specular alzak and clear haze. Special cone colors included Cognac amber, chocolate brown, blush pink, graphite grey, pine green or sky blue which are all also available in a semi specular haze satin/brushed finish. For use with halogen or incandescent lamps. The stepped kicker reflector maximizes light towards the wall for smooth, pattern free illumination. P7 or PN7 platform(housing)and MQT4 lamp module is required to create a full fixture. Aperture 8.25, od 6.75.
