DESCRIPTION

Aurora Halogen 2 Inch Round Bevel Trimless Downlight with Housing is a specification grade, recessed, adjustable accent fixture for plaster or drywall construction. Trim finish available in Black, White, Silver Haze or Satin Bronze. Dome features an anodized soft haze finish. The flush mounted rigid plaster plate, which is finished into the ceiling, maintains a flat finish and secures the removable flush beveled trim. The 3.5 inch diameter beveled trim raises the 2 inch aperture above the ceiling plane. Combining the Aurora dome with the tilt gear hidden behind the lamp creates a clean internal look. Flangeless, flush trim installs into the plaster plate with a precision snap-fit. Fixture offers hot aiming with 0 to 42 degree vertical adjustment and 362 degree horizontal rotation without beam clipping. Precision machined gear adjustment is concealed behind the lamp. Features self locking tilt and manual locking horizontal rotation. Includes machined aluminum snoot to control internal light spill. The snoot secures the lamp to the pan tilt mechanism and allows for easy relamping. Housing is made of die formed aluminum and includes one 12 volt, 75 watt toroidal magnetic or electronic transformer. Housing is IC and Air-Tight, suitable for remodel or new construction. Hides electrical hardware and tilts for easy access to junction box and transformer. One 12 volt GU5.3 MR16 up to 50 watt IR (infrared, equal to 75W halogen) is required, but sold separately. LWET accessory available for wet locations, sold separately. Optional Aurora Gear Cover, LWET accessory and light control accessories sold separately.

TRIM COLOR	N/A
BODY FINISH	Black
WATTAGE	50W
DIMMER	Low Voltage Magnetic
DIMENSIONS	15.75"L x 9.25"W x 5.25"H
BULB NOT INCLUDED	
LAMP	1 x MR16/GU5.3 (bipin)/50W/12V Halogen 1 x MR16/GU5.3 (bipin)/12V LED
