Dune FJ Pendant

By Oggetti

Description

Dune FJ Pendant is available in a Satin Nickel or Dark Bronze finish with Sand, Mocha and White or Black and Sand glass. Mouth-blown in Venice, Italy by glass blowers who are the very best at casting glass in multiple, thin layers. The shade is then ground in various patterns. These cuttings reveal the inner color and create accent on the shade. No two shades are exactly alike. There will always be variations, which are typical of a handmade product and contribute to its beauty. One 50 watt, 12 volt JC type GY6.35 base Halogen lamp is included. 5 inch width x 11.75 inch height x 120 inch adjustable length. Canopy sold separately. UL Listed.
