H750ICAT 6 Inch LED IC Air-Tite New Construction Housing

By Halo

Description

H750ICAT 6 inch LED IC Air-Tite new construction housing is for use with Halo 6 inch LED modules and trims, sold separately. Designed for insulated ceilings and can be in direct contact with insulation. Features aluminum construction for greater heat dissipation, and is gasketed to prevent airflow from heated or air conditioned spaces. A complete fixture consists of a housing, LED module, and trim. UL listed. Damp location listed. Wet location listed with select trim options. Lamp ratings based on trim selected, sold separately.
