Tolomeo LED Classic Desk Lamp

By Artemide

Description

Experience the pinnacle of task lighting with the Tolomeo LED Classic Desk Lamp, a modern evolution of an iconic design, engineered for precision and efficiency. This lamp features a refined aluminum finish throughout its structure. The fully adjustable arm in extruded aluminum, coupled with the signature joints and tension control knobs in die-cast aluminum, and cables in stainless steel, provide unparalleled flexibility and stability, allowing you to direct light with exact precision. A sophisticated dimmer switch is incorporated directly on the head for seamless brightness adjustment. With an impressive 30.75 inches in depth, 25 7/16 inches in height, and a remarkable 48-inch maximum extended arm, this lamp offers extensive reach. It provides versatile installation options, available with a traditional Table base, an In Set Pivot, or a Clamp mounting option, allowing it to adapt perfectly to your workspace. This advanced LED version offers a choice of 3000K color temperature for a warm, inviting glow, or groundbreaking Artemide My White Light technology, enabling you to set the color temperature anywhere from 2500K (warm) to 10,000K (cool), perfectly matching your needs and mood. Customers consistently praise its superior light quality and incredible adjustability, making it the ultimate tool for focused work, design, or any detailed task in a contemporary setting.
