

BRAND

Cielux

DESCRIPTION

Lune boasts seven primary colors, two automatic color fading modes and adjustable light intensity, giving you choices across the color spectrum to create the right atmosphere for any occasion. The single touch point control interface results in a simplistic medium that transforms the user's interactions with light and color. Simply tap the touch pad to turn the unit on, tap again to change colors, press the touch pad to dim each color, and hold it longer to turn the unit off. 9 watts of Dense Matrix LED light has red, yellow, green, teal, blue, purple and white colors. 8.3W x 7.7H x 3.2D.
