

Low Voltage 4IN RD 80 Deg Premium Adjustable Trim

**Description:**

4 Inch Periscope 80 Degree Adjustable Trim is a recessed alternative to surface mounted track lights. Durable die-cast aluminum construction. Three heavy gauge retention clips firmly hold trim to housing. Finish available in White, or Brushed Nickel. Center lamp holder allows the lamp to be tilted to 80 degrees. The supplied clear glass lens can be replaced with one lens accessory such as a colored dichroic lens, UV filter lens, frosted lens, etc. (sold separately). One 50 watt max 12 volt MR16 LED or halogen bulb is required, but not included. 5.13 inch overall width x 3.4 inch aperture x 2.5 inch trim height. 5 year WAC Lighting product warranty. UL listed for damp locations. Required housing sold separately.
