DESCRIPTION

The Z-Bar LED Desk Lamp features an award-winning three-bar design for ultimate reach and flexibility. The super-adjustable LED head can spin in its socket, sweep side to side, and rotate around the end of the arm to point in any direction. A built-in touchstrip control is located near the LED head for easy access. Slide your finger along the strip to dim gradually, or touch the strip anywhere to jump directly to any brightness, including off. Available with a Metallic Black or White finish. Integrated 9.5 watt LED light source with choice of Warm White (3500K) or Cool White (4500K) color temperature. Available with a variety of base and mounting options: standard table base, table base with USB port, power base with AC outlet and USB outlet, grommet mount, through-table mount, one piece desk clamp, two piece desk clamp, hardwired wall light, standard wall mount, or slatwall mount.
