Tibet Pendant

By Shine Labs

Description

Tibet pendant is fabricated from numerous wires that are organized to define an overall shape. The resulting form is bold yet still visually light, allowing it to be at home in environments and interiors ranging from modern minimal to classic traditional. The Tibet pendant features a black fabric shade over a matte black frame. Fixture is available with incandescent or compact fluorescent lamping option. One 75 watt, 120 volt, A19 medium base incandescent lamp not included. General light distribution. Includes 6 feet of field cuttable cord. Canopy diameter is 5 inches. 8.5W x 21.5H.
