Tolomeo Off Center Suspension with Aluminum Shade

By Artemide

Description

Make a dynamic lighting statement with the Tolomeo Off Center Suspension with Aluminum Shade, an innovative fixture designed for expansive spaces and flexible illumination. This unique suspension light features an 8-inch Aluminum shade, providing a crisp, focused light ideal for specific areas. What sets it apart is its ingenious design that adjusts at three key points, allowing you to precisely direct the light source exactly where desired, even when the ceiling junction box is not centered. This provides remarkable versatility in furniture arrangement and room layout. It delivers general light distribution, ensuring a functional and inviting glow. UL listed for safety, customers praise its clever design and ability to solve tricky lighting challenges. Perfect for illuminating dining tables that aren't directly beneath a ceiling box, kitchen islands, or expansive living areas, the Tolomeo Off Center Suspension offers a blend of smart engineering and contemporary design, making it a highly adaptable and stylish choice for modern interiors.
