6393 P1 Table Lamp

By Holtkoetter

Description

6393 table lamp with P1 dimming features a white diffuser. Finish available in hand-brushed old bronze, brushed brass, chrome and satin nickel. Available in a small and large size option as well as a ceiling flush mount and table lamp version. The dimming control is reduced to a single point on the arm of the lamp. If the lamp gets tipped over, it will switch itself off. A single click will turn the lamp on - the lamp gradually brightens to full brightness. A single click will turn the lamp off - the lamp dims to 60 percent brightness, remaining at that level to allow you to exit the room; then the lamp gradually turns itself off. Press and hold the dimmer down - the lamp will cycle through all the dimming levels - release the dimmer when the lamp reaches the light level of your choice. One 75 watt, 120 volt, JCD Type G9 base halogen lamp included. General light distribution. Base diameter is 4.25 inches. 7.75 inch diameter x 11 inch height.
