

DESIGNER Paolo De Lucchi  
BRAND Leucos

**DESCRIPTION**

X-Ray uses layers of diffusion to create beautiful light in a kitchen, hall, bedroom, office, living room, lobby or contract use. Designed in 2004 by Paolo De Lucchi, X-Ray plays with two layers of satin white diffusers that engage and dazzle. Growing out of the first central diffuser, the second diffuser weaves in and out of itself and gives X-Ray its name. Available in small and large sizes. Comes with 9.8 feet of cable to customize length. ETL listed.
