Fanimation

**DESCRIPTION**

The Inlet by Fanimation is Contemporary, stylish and space efficient, it is the perfect fan for any room. The Inlet is available in both oil-rubbed bronze and satin nickel finishes and features an energy saving light encased in opal frosted glass. Four sleek cherry/walnut wood blades complete The Inlet's modern look and make this fan the ideal selection for even the most fashion savvy. For those who want to further enhance The Inlet's fashionable appeal, optional woven housing accessories in cherry or walnut finishes are also offered. Features One T2 with GU24 Base, 18 watt, 120 volt, self ballasted compact fluorescent lamp. Four reversible blades with 52 inch sweep and 14 degree blade pitch. Mounts flush to ceiling needs no downrods. TR20WH hand-held reversing remote control included. 172 x 4 motor with limited lifetime warranty, 3 forward and 3 reversing speeds. UL listed for dry locations. General light distribution.
