By Siemon & Salazar

### Description

Lattimo Droplet Pendant is a variation on the banded line, these pieces focus on their forms rather than the juxtaposition of colors. The name refers to the Italian technique of lattimo or milk glass. Two opaque swathes of color are wrapped around a clear crystal bubble. This line is currently made in a selection of refined silhouettes. Hand blown and shaped in lead free crystal. No molds are used, and each glass shape is unique. Canopy: 5 inch diameter. UL Listed. Made in California and signed by Caleb and Carmen. Each piece is handmade; dimensions and color may vary slightly.
