Coral LED Reading Table Lamp

By QisDesign

Description

The Coral LED reading table lamp takes its inspiration from the exquisite ocean corals. It creates a visually mesmerizing effect as it graces a table, ceiling or floor by imitating how natural coral reflects rays of light through the sea. The special light diffusion technique emits light evenly on the edge of each PMMA plastic diffuser. Coral LED pendant features a polished chrome finish. Power out AC is 100-240V 50/60Hz. Thirty-six LED warm white lamps totalling 10 watts, 120 volt included. Equipped with a high-power LED on the bottom of the shade, this lamp provides necessary reading along with accent light. General light distribution. ETL listed. Base diameter is 5.88 inches.
