Crystal Light LED Table Lamp

By QisDesign

Description

The Crystal Light LED is mesmerizing to watch with its fascinating color-changing feature. It is composed of various crystals shimmering with silver, sparkling like diamonds. Each crystal is connected by magnets, allowing the Crystal Light to be assembled into any form desired. The light mode changes with a remote control to create different lighting effects to various moods and environments. Each set comes with 8 crystals and a miniature remote to control the different modes of the Crystal Light. Includes 70.88 cord. Two RGB LED lamps per crystal (set of 8 crystals) totalling 9 watts included. Accent light distribution. Each crystal measures 2.88W x 2.88H x 2.88L.
