Flip Short Stem Pendant

By Lumina Italia

Description

The Flip hanging lamp with short stem features an aluminum alloy and steel body, with a polycarbonate telescopic arm that swivels 360 degrees on its hanging point. The Flip hanging lamp moves up and down, can be extended to various lengths and angles, turns easily and always reaches the desired position. The arm has a telescopic pipe whose edges provide two joints with large steel spheres in order to allow total mobility and perfect maneuverability. Available in white, anodized aluminum, methacrylate and nickel. Methacrylate finish features polycarbonate shade. Also available with a regular and short stem as well as a metal or polycarbonate shade. One 150 watt, 120 volt, A19 medium base incandescent lamp not included. General light distribution. Metal shade diameter is 14.56 inches. Polycarbonate shade diameter is 16.53 inches. Height adjusts from 37.01 to 55.12. Maximum length extension is 16.14 to 25.59 inches.
