DESCRIPTION

Soft Strip Cove Square provides mounting hardware for indirect lighting, such as the LED Soft Strip (SS2P recommended), in a low profile (less than 2.5 inch from wall). The round or square extruded aluminum cove features a white powder painted finish and can be painted to accent any space. The system of 8 ft coves can be field cut or joined together with inside connectors which are included. May be fed with 1/2 inch flexible electrical tubing from the end cap or from the wall. Soft Strip ordered separately. 8 ft long.
