

BRAND Swarovski Crystal Palace

DESCRIPTION

Michael Anastassiades takes his cue from the beauty found in the destructive power of nature, basing his lights on the form of a tornado. Using Swarovski crystals, he has created two seemingly untamed but ultimately structured shapes. The non-illuminated pendant is available in a 41.5 and 45.5 inch high option. Reinforced junction box required to support extra weight. Designed by Michael Anastassiades. 13W x 45.5H.
