

BRAND Visual Comfort Modern

DESCRIPTION

Ventana Grande pendant features a graceful metal dome with intricate, asymmetric cutouts with an elliptical inner white cased glass to soften the light. Available in Satin Nickel finish. Available in incandescent and compact fluorescent lamp option. Incandescent includes one 60 watt, 120 volt, BT15 medium base lamp, six feet of field-cuttable suspension cable, and a 4.5 inch round flush mount canopy. Compact fluorescent includes one 26 watt, 120 volt T4 GX24Q-3 base compact fluorescent lamp with non-dimmable electronic ballast, six feet of field-cuttable suspension cable and a 4.5 inch round surface mount canopy. ETL listed. Suitable for damp locations. 20 inch diameter x 8 inch height x 80 inch length.
