

Eclisse Table Lamp

Designer: Vico Magistretti

Description:

An icon of Italian industrial design, the Eclisse Table Lamp can provide direct or diffused light. Inspired by a miner's lamp used by the hero Jean Valjean in Les Miserables, the lamp is composed of a fixed outer shell and a moveable inner shell. Manipulation of the inner sphere creates the effect of an eclipse allowing the user to add bright light or subtract for a diffuse glow. Eclisse can also be wall mounted. Painted metal body available in Polished White or Polished Orange with On/Off switch on cord. One 25 watt max 120 volt G16.5 candelabra base bulb is required, but not included. General light distribution. 5 inch diameter x 7 inch height.
