

BRAND Visual Comfort Modern

DESCRIPTION

Ibiss Freejack Double Wall Wash Head is beautiful in its minimalist simplicity and pivots vertically 330 degrees and rotates horizontally 360 degrees. Compatible for use with 1-circuit Monorail track system, Wall Monorail or Freejack canopy. Constructed of die cast aluminum with finish. Includes two 13.35 watt, 12 volt 2700K color temperature LED modules. As a general rule when using the IBISS head, it is not recommended using greater than 33 percent of the maximum wattage specified for the low voltage transformer due to the in-rush current requirements. Freejack canopy required if used as a monopoint, sold separately. LED canopy compatible with both halogen and LED lamp options. Dimmer type dependent on system transformer (low voltage magnetic or electronic).
