

BRAND Jake Dyson

DESCRIPTION

Motorlight wall sconce can be appointed singularly or as a series. Available in white. Choose a beam of between 10 and 120 degrees, providing a tight beam or wide wash of light, to suit different illumination purposes and create varying environments. Motorized and operated via a remote control, sold separately, which can power up to 30 lights simultaneously, allowing you to control the shaft of light and brightness on each luminaire, individually or as a group. One 75 watt 120 volt, T4 mini-candelabra base halogen lamp not included. Directional light distribution. UL listed 4.52 inch width x 8.27 inch height x 4.09 inch depth.
