DESCRIPTION

Abella 600VA (450 watts) low voltage magnetic, single-pole / multi-location digital fade dimmer. The 600VA rating includes the magnetic transformer heat losses and the lamp load. The 450 watt rating is the maximum lamp wattage based on assumed 20 % transformer loss. Press the on/off button until the LED flashes, allowing 30 seconds to leave the room before the lights fade-to-off. Fassada gloss screw less wall plate, product FW-1-, sold separately or integrated with Claro accessories with decorator insert or can be used with existing standard wall plate. Rated for 600W when used with both fins, derate to 500W when ganged with one fin remaining and 400W when no fins remaining. Incandescent and halogen source. UL and CSA listed.
