DESCRIPTION

Abella 1000VA (800W) low voltage magnetic, single-pole / multi-location digital fade dimmer. The stated 1000VA rating includes the magnetic transformer heat losses and the lamp load. The stated 800W (watt) rating is the maximum lamp wattage based on assumed 20% transformer loss. Press the on/off button until the LED flashes, allowing 30 seconds to leave the room before the lights fade-to-off. Fassada gloss screw less wall plate, product FW-1-IV, sold separately or integrated with Claro accessories with decorator insert or can be used with existing standard wall plate. Available in almond, light almond and black. Rated for 1000W when used with both fins, derate to 800W when ganged with one fin remaining and 650W when no fins remaining. Incandescent and halogen source. UL and CSA listed.
