## Aurora Hugger Ceiling Fan with Light

By Modern Fan Co.

### Description

Aurora Hugger fan is an innovative design incorporating fluorescent lighting in a translucent diffuser providing light upwards that glows throughout the room. Available in Brushed Aluminum and Gloss White motors with Aluminum and White blades. Available in 42 and 52 inch blade spans. One 40 watt, 120 volt T5 circline type 2GX13 base non-dimmable fluorescent bulb is included. UL listed. Fan dimensions without blades are 42/52 inch width x 14 inch height. Fan control required, but sold separately.

The Aurora Hugger ships in a 12" overall length configuration.
