

Wabi Wall Sconce

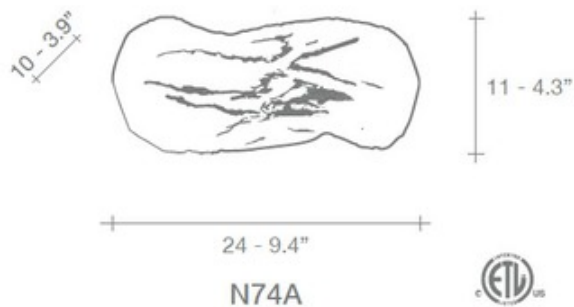

Description:

Wabi wall sconce, influenced by the rustic simplicity of the mulberry tree, Terzani lab set out to create a piece that delivered the same quiet, harmonious elegance. Wabi wall, part of Memory collection, is available in white or gold-plated finish, which recalls the serenity and balance of its natural inspiration. The texture of Wabi fixture harnesses the anomalies of a cortex, resulting in an unique and classic light. One 50 watt 120 volt J-type Short halogen lamp not included. 9.4 inch width x 4.3 inch height x 3.9 inch depth. ETL listed.
