Nur Ceiling Light

By Artemide

Description

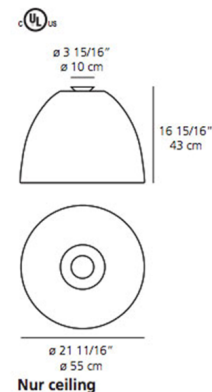

The Nur Ceiling Light provides a sophisticated and subtle ambient glow, enhancing your space with its refined indirect illumination. This elegant fixture features a beautifully crafted aluminum shade, designed to blend seamlessly with contemporary interiors while delivering effective overhead lighting. Available in a sleek Grey Anthracite or a timeless Aluminum finish, the Nur Ceiling Light allows for versatile aesthetic integration. It incorporates a polycarbonate bottom diffuser that works to provide subtle indirect lighting, creating a captivating halo effect on the ceiling. This design ensures a soft, even light distribution that minimizes glare and adds depth to your room, contributing to a more comfortable and inviting atmosphere. The Nur Ceiling Light offers flexibility with its lamping options, available with either incandescent or modern LED technology, allowing you to choose the perfect light source to suit your preferences for brightness and energy efficiency. Its clean lines and sophisticated light emission make it an excellent choice for general ambient lighting in living rooms, bedrooms, or any space where a refined, glare-free overhead light is desired.
