Talo Halogen Mini Wall Light

By Artemide

Description

Discover minimalist perfection and brilliant functionality with the Talo Halogen Mini Wall Light. This sleek fixture offers a refined lighting solution with its die-cast painted aluminum construction and crisp White finish, providing a clean, contemporary aesthetic that seamlessly integrates into any modern space. The Talo's innovative design features an upper diffuser in clear molded polycarbonate and a lower diffuser in opaline molded polycarbonate, expertly crafted to deliver both direct and indirect light distribution. This unique combination creates a soft, ambient glow upwards while providing functional illumination downwards, making it incredibly versatile. The Talo Halogen Mini Wall Light is also ADA Compliant and UL listed, guaranteeing accessibility and safety. Customers praise its slim profile and impressive light output for its size, making it perfect for hallways, stairwells, or as an accent in living areas. Embrace the architectural and contemporary elegance of the Talo Mini Wall Light for a sophisticated lighting statement.
