Tolomeo LED Classic Wall Spot with Switch By Artemide

Description

The Tolomeo LED Classic Wall Spot Light is wall mounted luminaire providing adjustable direct LED lighting solutions. The light piece comes with a polished aluminum surface bracket that mounts to a standard electrical junction box. This light piece features a tiltable and rotatable shade on the lamp holder. It incorporates touch dimmer power switch and consumes a mere 10 watts of power providing an output equivalent to a 75 watt household bulb. Also available without a touch dimmer power switch. 5 7/8 inch wide x 8 13/16 inches high x 11 inches deep. Also available in an incandescent version. UL listed.
