Ron Rezek

**BRAND**

Artemide

**DESCRIPTION**

The Rezek 28 X 28 Fluorescent Wall Mirror Light is a wall mounted framed mirror lamp with direct diffused fluorescent lighting. The frame of the light is made from extruded aluminum featuring a clear anodized finish. The back plate and mounting bracket incorporated in the light piece are composed of steel. This lamp is hardwired and mounts to standard electrical junction boxes. Two 14 watt 3000K T5 fluorescent lamps are required, but not included. 28 inches wide x 28 inches high. ADA Compliant. UL listed.
