

Behive Pendant

Designer: Werner Aisslinger

Description:

The Behive Pendant offers a soft light within a decorative element. A diffuser screen located on the inside conceals the technical aspects and allows the light source to freely illuminate downwards. And so the white light takes on a double value: it emphasizes the particular graphic art nature of the rings, and focuses the lighting on a well defined area. UL listed. One 150 watt, 120 volt, T10 medium base halogen lamp is required, but not included. 15.25 inch width x 15.25 inch height. 78 inch or 200 inch length.

Shown in: White

List Price: \$1420.00
Our Price: \$1136.00

Shade Color: White
