Birdie

By Foscarini

Description

The Birdie Table Lamp is inspired by nature. The slim stem recalls the trunk of a tree, while the branch, as if ready for a bird to land, allows you to turn the lamp on or off. Whether beside an armchair or a sofa in the living room, on the desk in the study, on a bedside table, or in any other room of the house, Birdie fits in naturally and accompanies everyday life with a pleasantly stylish presence. Simply touch the branch to change the light. Available in a Grey, Copper, Graphite, Aquamarine, or White finish in two sizes with an On/Off switch - located on the cord, or a Touch Dimmer. UL listed.
