Summer Wall Sconce

By Leucos

Description

Celebrated ceramic artist, Eva Zeisel, designed the Summer Collection and the Spring Collection in 2012 for Leucos. Zeisel took the soft sculptural lines that she developed over her life's work in ceramics and forged them into large illuminated vessels using traditional hand blown Venetian glass. The result is lamps that will brighten and freshen your home, office or contract project with a beautiful subtle glow. Available in Gloss Honey or Gloss White hand blown glass finishes. ETL listed.
