## DESCRIPTION

Celebrated ceramic artist, Eva Zeisel, designed the Summer Collection and the Spring Collection in 2012 for Leucos. Zeisel took the soft sculptural lines that she developed over her life's work in ceramics and forged them into large illuminated vessels using traditional hand blown Venetian glass. The result is a family of lamps that will brighten and freshen your home, office or contract project with a beautiful subtle glow. Summer and Spring is available in gloss honey or gloss white glass.
