Aurelia LED Pendant

By QisDesign

Description

Aurelia pendant was inspired by the Moon Jellyfish, astonishing underwater creature. It is available in pink and orange. The energy-efficient LED lamp offers a delight not only for your eyes but also your sense of touch. Glare is eliminated thanks to LEDs small-size characteristic, making it possible to hide the LEDs in the center. LEDs directional characteristic which lets the light reflect directly on the inner shade's strips also helps create the translucent ambience. Comes with 94 LEDs, 3000K, max wattage 18 watts. 370 lumens. ETL listed.
