Neutra Suspension Lamp

By Kartell

Description

Neutra is a circular, extra-large hanging lamp, composed of two shell-like elements, which enclose the structure like a snap-together toy. The structure's unusual shape diffuses the light uniformly over the entire surface, while a simple regulation system makes it easy to adjust. Requires (1) 40 watt, 120 volt, T5 circline fluorescent lamp (not included). UL and CUL listed. 35.4W x 8.7H.

Specifications
