

BRAND Modern Fan Co.

DESCRIPTION

Stratos Fan with Light was the first truly modern ceiling fan, it has no reference to Victorian-era design. A column-like support is used in place of the typical downrod used in other ceiling fans. This virtually eliminates wobble, while the patented rotor design ends balance problems. Comes in Gloss White or Brushed Nickel motors with White, Aluminum, or Maple blades. Stratos has a 42 inch or 52 inch blade span with Halogen or CFL options. Halogen: One 75 watt, 120 volt JCD type G9 base halogen bulb is included. CFL: One 18 watt, 120 volt Compact Fluorescent type GU24 base bulb is included. UL listed for damp locations. 42 Inch: 42 inch width x 18 inch height. 52 Inch: 52 inch width x 18 inch height.

SHADE COLOR	Aluminum
BODY FINISH	Brushed Aluminum
WATTAGE	75W
DIMMER	Standard 120V
DIMENSIONS	52"W x 18"H
BULB INCLUDED
