

Description

Bola suspension features a metal geometric structure with 10 or 15 smoked globe shades. Suspension includes an 8" round canopy and several stem mounting options: the required 8" stem for mounting as a ceiling fixture and additional combination of 12" (2) and/or 20" (2) stem(s) for a maximum 72" stem height (H). See chart on page 2 for possible stem mounting options. Order SLA version for mounting in sloped ceiling applications.

Finish

Black

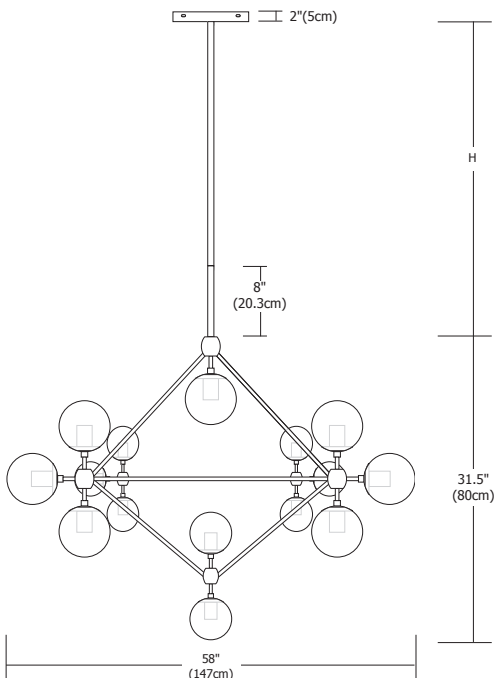

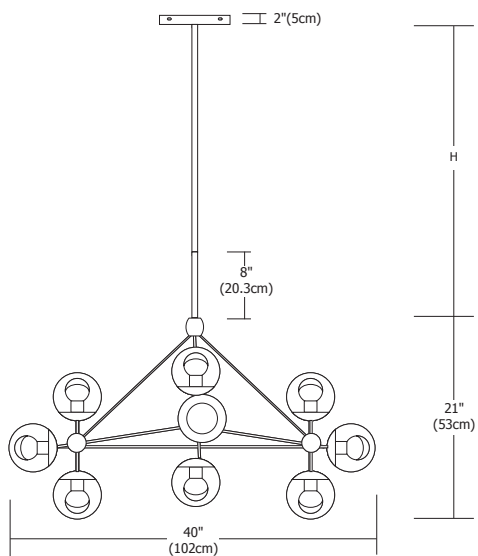

Lamp Specification

120V/25W E26 medium base type G16.5 clear globe incandescent lamp

Weight

12 lb (5.4kg)

15 lb (6.8kg)
