

LOW-VOLTAGE PENDANTS

Manette Pendant

DESCRIPTION

The simple cylinder is elevated to a rare level of sophistication and grace as the sleek die-cast metal band connects separate upper and lower hand-blown glass pieces giving the impression of one continuous body. Your choice of 16 upper and lower glass and acrylic color combinations allow incredible opportunity for personalization. LED light sources fire simultaneously up and down to evenly illuminate the glass while contributing both direct and indirect illumination. Ships with 16 feet of field cuttable suspension cable. Includes 6 watt, 80 CRI 330 net lumen (260 lumens down/70 lumens up), 3000K, LED.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
