

LOW-VOLTAGE PENDANTS

Parfum Pendant

DESCRIPTION

With a modern take on vintage French perfume bottles, the silhouette is sleek and clean while still warm and elegant. A metal band separates the top and bottom hand-blown glass pieces, and the bottom glass features a beautiful clear draw adding richness and depth to the design. Includes low-voltage, 35 watt halogen bi-pin lamp (opaque bottom glass) or 20 watt halogen bi-pin lamp (transparent bottom glass) and six feet of field-cuttable suspension cable.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
