DESCRIPTION

Cocoon pendant is an open structure consisting of eight beautifully laminated timber leaves. The expressive form gives view to a warm globe that graduates ambient light onto the inner veneers of the structure revealing a magnificent contrast between the inner and outer surfaces. Designed with sustainability in mind, the pendant lights have been manufactured from thin, ultra durable timber laminations which minimizes the ecological footprint whilst creating an uncompromising elegance. It is constructed from flat packable leaves and can be quickly assembled using the small fittings provided. Available in Oak or Walnut finish in small, medium, or large sizes. Also available in floor light version. Small is 6.3 inch diameter x 17.7 inches high and requires one 15 watt 120 volt medium base fluorescent lamp not included. Medium is 7.8 inch diameter x 35.4 inches high and requires one 15 watt 120 volt medium base fluorescent lamp not included. Large is 9.8 inch diameter x 47.2 inches high and requires one 24 watt 120 volt medium base fluorescent lamp not included.
