

BRAND MacMaster

DESCRIPTION

Bloom Pendant is made from 100% FSC certified Birch Plywood and is available in Natural Birch or Stained Red finish. The curved form that is a signature aesthetic of MacMaster is created here without the use of laminations but is formed from flat sheets that neatly slot into two columns, thus creating the curvaceous form. The light radiates through and along the thin leaves creating a graduated display of luminescence and color. Available in small or large sizes. One 24 watt, 120 volt CF Medium base compact fluorescent bulb is required, but not included. UL listed. Small: 9.8 inch width x 8.6 inch height x 84 inch maximum length. Large: 12.6 inch width x 11.4 inch height x 89 inch maximum length.
