

BRAND

Philips Hue

DESCRIPTION

The Philips Hue LivingColors Iris Table Light is designed to create indirect ambient lighting and is the perfect way to highlight architectural features in your home. The transparent base allows light to escape from the bottom. Because it is a plug-based product, you can easily move it around. Select one of 16 million colors by turning the color wheel on the included remote control. Includes 10 watt, 24 volt LED module, 210 lumens. 12,000 hour average lamp life. 100-240V input. 6.5 inch width x 5.9 inch height x 8.6 inch depth.
