

Pilke Pendant

Description:

Pilke pendant lamps were created by the industrial designer Tuukka Halonen. Pilke is a Finnish word that means twinkle. Pilke shades are constructed of identical interlocking parts and the repetition of plywood parts which creates a beautiful three dimensional, geometrically decorative light shade. Pilke pendant lamps are entirely made in Finland of birch plywood and assembled by local craftsmen. Available in 11 inch or 14 inch width and also available in 24 inch larger pendant option. Finish options: white stain, black stain, or natural birch. (1) 60 watt, 120 volt, medium base incandescent bulb or energy-saving equivalent lamp included. Small pendant: 11.02W x 11.81H. Medium pendant: 14.17W x 15H.
