Description:

Fast Jack Cirrus Float features an R1 Rectangle 1 inch lens available in Satin Aluminum, Satin Nickel, Chrome, Antique Bronze, Satin Black or White finish. Hardware and supporting cables are Antique Bronze for Antique Bronze and Black finishes, and Satin Nickel for all other finishes. Power cables are Satin Nickel for all finish options. At 7 watts per foot, the 12 volt AC Cirrus Float fixture contains 2700K Very Warm White or 3000K Warm White color temperature LEDs, 92+CRI, delivering 36 lumens per watt/262 lumens per foot. 50,000 hour average lamp life. Available in 36, 48, 60 and 72 inch lengths. May be ordered in 3, 6 or 9 inch increments upon request. Adapted for easy compatibility with all Edge Fast Jack Canopies, the fixtures allow for flexible mounting to monopoint or multi-port canopies, sold separately. Also available in a version compatible with Edge Lighting single circuit and two-circuit Monorail. Cirrus includes 10 foot adjustable aircraft cables that slide across the length of the fixture for flexibility in mounting to the canopies. Fast Jack connectors included. Recommended mounting height 70 inches above finished floor. Swag hook accessory available to extend cable to an electrical box not directly above desired fixture location, sold separately. Major components made and assembled in the USA. ETL
