Zadro

**DESCRIPTION**

The Surround Lighted Vanity Mirror features dual-sided, optical quality glass to ensure a clearer reflection of your true self. On one side, the 10X magnification is great for touch-ups, detail, and make-up application. On the other side, the 1X magnification is perfect for all-around hairstyling, cosmetics, and every beauty need in between. No matter how dim the environment, the dual-sided, powerfully bright fluorescent light reproduces the effects of natural sunlight to illuminate your entire face. Also, an infinity dimmer switch is located at the base to soften and control the brightness levels for easier viewing on the eyes. The mirror base includes a built-in power outlet as well, so you can plug in anything from curling irons to blow dryers without the need of an extra nearby wall outlet. One 22 watt, 120 volt T5 type G5 base fluorescent bulb is included. Dimensions: 9.5 inch width x 18 inch height x 7 inch diameter.
