

LED Light Illuminating Handheld Magnifier

Description:

The Illuminating Handheld Magnifier is brilliant for reading small text or viewing hard to see objects. The 12 super bright LED lights recreate the effects of natural sunlight, while consuming up to 70 percent less electricity than standard bulbs. Also features a low and high lighting setting depending on how dim the environment. The 1.75X magnifying lens features a built-in 2.25X spot lens all encased in a sturdy titanium frame. On/Off switch in handle. Includes a protective carrying case and micro-fiber cleaning cloth. Twelve LEDs are included. Dimensions: 9.75 inch height x 1.25 inch diameter x 5 inch width.
